

So You Thought You Knew the Alphabet?

Course Description

Participants will learn definitions and pronouns related to the LGBTQIA and transgender patient population. Participants will also be given information that can assist in looking inwardly at judgements/biases toward this patient population.

Key Learning Outcome

- After completing the program, 80% of participants will report an increase in knowledge that will positively impact their practice.

Program Objectives

This program prepares the learner to:

- Self-report an increased knowledge regarding terms in the LGBTQIA and transgender communities at a 90% rate.

Agenda

The order of lectures presented may vary according to speaker preference.

2-Hour Live Webinar

“So You Thought You Knew the Alphabet?”

Definitions of LGBTQIA Community Terms

“What Pronouns Do You Use?”

Proper Wording for the Transgender Patient
