

Course Description

The CEN Exam Cram is a one-day, fast-paced, question-driven program. Are you the nurse who wants that last-minute to cram before the exam? Then this program is for you. There are no long lectures or tedious talks, just questions. Using over 400 questions and patient scenarios, we will review the areas outlined by the CEN Blueprint. Whether you are preparing to take the CEN Exam or just want to test the waters; come test your emergency nursing knowledge and CRAM for the EXAM!

Program Learning Outcomes

This program prepares the learner to:

- Describe the CEN Exam, test plan and the practice requirements to sit for the exam.
- Employ test-taking strategies for successfully passing the CEN Exam.
- Identify common mistakes and pitfalls that are made during studying and testing for the CEN Exam.
- Discuss the content areas for the CEN Exam through test questions and didactic supplementation.

Agenda

Sign-in begins at 7:30 am. The day includes a one-hour lunch (on your own), as well as a morning and afternoon break of 15 minutes each. The order of lectures presented and break times may vary according to speaker preference.
