

# Kicking it Up a Notch: Sharpening Your Leadership Skills

## Course Description

The accelerating rate of change in the world of healthcare has left many new and experienced leaders breathless to keep up. Effective leadership skills in this decade are substantially different than those of any other generation of nursing leaders. This seminar will discuss the new complex realities that today's leaders face, and attendees will leave with strategies they can take immediately into the workplace.

## Program Learning Outcomes

*This program prepares the learner to:*

- Discuss the skills effective leaders need to succeed and help move their organizations forward.
- Begin a personal professional development plan.
- Choose at least 5 action items that nurses can use the next day in their leadership positions.

## Agenda

*Sign-in begins at 7:30 am.* Each day includes a one-hour lunch (on your own), as well as a morning and afternoon break of 15 minutes each. The order of lectures presented and break times may vary according to speaker preference.
